

Benefits for members of Ripon Youth String Orchestra

In addition to regular rehearsals, with expert, professional coaching and tuition, we will continue to promote occasional open “one-day workshops”, and we also be developing a series of master-classes, chamber music days and other fantastic opportunities for young string players.

We also negotiate reduced-price tickets for you for various concerts and recitals in the area and we will keep you informed of other opportunities and events in the region.

We can also offer advice about instruments, bows, strings, music etc. and we can help to put you in touch with recommended teachers in the area.

Once you are registered and we have you on our lists, you will automatically be invited to take advantage of all the other benefits we can offer you – read on for details ...
